VINEYARDS

We carefully curated this wine from specific sections of the best vineyards from growers we've known for generations for each of the Bordeaux varietals

VINTAGE

This vintage will go down as one of the best in recent memory. Our 2019 wines reveal richness, elegance and depth as a result of this idyllic season. The commencement of 2019 gave us mild temperatures with late precipitation which provided our vines with sustainable energy throughout the year. This gave way to a long warm summer season followed by marine layer influences and mild temperatures which allowed optimal 'hang time' for the grapes to mature to optimal ripeness.
