WHERE GREAT WINES ARE MADE IN THE VINEYARD.

STEVE TONELLA, 4TH GENERATION NAPA VALLEY VINTNER

Sky & Vine embraces the diversity and integration of Sonoma County Cabernet Sauvignon. Channeling over 100 years of wine growing heritage, we are blessed to work with terroir driven, family owned vineyards throughout the appellations within Napa and Sonoma. The wine celebrates a sense of place a wonderful balance of fruit, subtle spices and a rich mouthfeel to add something special to any occasion.— Steve Tonella .
